Whether you are a carrier, shipper, third or fourth-party intermediary, with DeWitt, you can avoid legal roadblocks.

We work with the transportation industry – freight and passengers by highway, rail, marine, and air. Our Transportation & Logistics team can help map the shortest route to success in transportation and logistics – business organization, contracts, compliance, and dispute resolution. Our full-service approach includes an analysis of all the legal issues and options available in transportation and logistics.

With more than 130 attorneys practicing in more than 30 areas of law ranging from environmental, labor and employment, government relations, and litigation to intellectual property – DeWitt has the experience to service clients of all scopes and sizes.
