

Elizabeth L. Neal Attorney

eln@dewittllp.com

262-754-2855

Greater Milwaukee

Elizabeth focuses her practice in the area of Intellectual Property where she assists clients in patent application drafting and prosecution, patent licensing, trademark evaluation and prosecution, patent infringement litigation, and intellectual property research. She specializes in the life science, mechanical, and electrical fields.

Elizabeth has demonstrated expertise in determining novel, patentable features when collaborating with inventors to draft patent applications. She has successfully prosecuted patent applications in both U.S. and foreign jurisdictions.

Clients

Elizabeth assists a wide range of clients, from individual inventors and small businesses to large corporations and major government agencies.

Notable Representations

Elizabeth has represented both government clients, such as NASA, the US Army Corps of Engineers, and the US Navy, and private clients, such as TAPCO and Bradshaw Medical, Inc.

Recent Patents

- Laser Machining and Mechanical Control of Optical Microresonators (9,341,781)
